

<b>Breeding Location</b>	Corindi, NSW, Australia (30.0167S)
<b>Fruit Appearance</b>	Flat berry shape with attractive bloom and appearance.
<b>Fruit Flavour</b>	Good balance of acidity and sweetness.
<b>Key Attributes</b>	Cascade is a vigorous, high-yielding mid-season variety with excellent adaptability across different growing systems and microclimates. With good flavour, efficient water use, packaged within a resilient plant, it offers growers consistent performance and great potential, making it a promising and manageable option for achieving strong results.
<b>Seasonality &amp; Crop Timing</b>	Mid-season timing relative to a benchmark Kirra.
<b>Considerations</b>	We recommend using crop trellis structures to support crop load and aid good picking presentation.
<b>Harvest Efficiency</b>	Medium to high harvest efficiency driven by high volume and consolidated harvest timing
<b>Shelflife/Durability</b>	24 days (storage at 4C degrees)

	Year 1	Year 2
<b>Fruit Size</b>	21.6mm	19.4mm
<b>Berry Weight</b>	4.4g	2.6g
<b>Yield (Kg/Plant)</b>	5.9	7.0
<b>Fruit Firmness (g/mm)</b>		255
<b>Fruit Texture</b>		Fruit is firm
<b>Brix/Acid [TA]</b>		13.2/0.4
